WELCOME TO THE ACADEMIC YEAR 2021-2022

Dear Parent,

Welcome to the academic year 2021-2022, with new hopes and expectations in these challenging times. When challenges arise, we step forward to do what is best for our children and ensure that no child is left behind. Learning never stops for all.

We will continue with our online learning with renewed strategies for more effective, engaging and fun lessons.

You are requested to note the following instructions carefully:

- ❖ Parent Orientation Programme (Virtual): The Parent Orientation Programme is scheduled on Wednesday, 9th June 2021 at 11 a.m. for all classes.
- ❖ The link for the orientation will be shared by the Class teacher.

Points for discussions:

- Re-opening date for online classes
- Timings
- Books
- Fee-book
- Timely Payment of Fees

We look forward to a great start and a bright year ahead. Let's stay connected as always.

Thank you.

Warm regards  
Principal  
Dr Sujata S. Rai
